Subject: 2016 Leaf Collection

Date: September 20, 2016

OAKWOOD, OHIO:

The city of Oakwood will begin the annual fall leaf collection program on Monday, October 10. As in previous years, the program will provide bi-weekly leaf pickups of all areas throughout Oakwood. The city is divided into ten sections with each being collected on a 2-week interval. The collection schedule is posted on the city website (www.oakwoodohio.gov) and will be published in the next two issues of the bi-monthly Oakwood Scene newsletter.

Property owners should place their leaves directly into the roadway gutter, just a day or two before the scheduled pick-up day. Alternatively, citizens may self-dump their leaves 24-7 in the yard debris dumpsters located at the Creager Field parking lot (the Dog Park at Shafor and Irving), or at the public works yard, 210 Shafor Boulevard, between 9 am and 12 noon on the following three dates:
Saturday, October 1
Saturday, November 5
Saturday, December 3

The leaf collection program is scheduled to end on Friday, December 16, but will be shortened or extended if conditions warrant.
