## CITY SERVICES

### CITY COUNCIL AND MANAGER

Oakwood is served by a Council-City Manager form of government. Oakwood's City Council is comprised of five members who are elected on a non-partisan basis for four-year overlapping terms. The Mayor and Vice Mayor are selected by their fellow Council members for two-year terms. City Council is the policy-making body of the community. Council appoints a full-time professional City Manager to oversee the delivery of public services, implement policies and enforce ordinances. The City Manager serves as chief executive officer of the city.

### PUBLIC SAFETY DEPARTMENT

Oakwood's Public Safety Department is very unique in that all officers perform law enforcement, fire protection, and emergency medical services. All Safety Officers maintain state certification as police officers, firefighters and emergency medical technicians or paramedics. Created in 1927, Oakwood's Safety Department is the second oldest fully consolidated department in the country.

### EMERGENCY CALLS

Oakwood operates a 9-1-1 emergency call center which provides direct contact with the Public Safety Department. Response time to all public safety emergencies is generally three minutes or less, the fastest response time in the greater Dayton area.

### AMBULANCE/RESCUE/ PARAMEDIC SERVICE

Oakwood is an area leader in advanced emergency medical care, offering the most up-to-date equipment and training to handle cardiac, respiratory and other medical emergencies.

### VACANT RESIDENCE CHECKS

Residents who will be away for periods of time can have their homes checked for security by safety officers. Please call the safety dispatcher at 298-2122 in advance or stop by the city building and speak with the dispatcher.

### BICYCLE LICENSES

Oakwood bicycle licenses are issued at no charge to residents. The Safety Department maintains an ownership file to help identify lost or stolen bicycles.

### ALARM SYSTEMS

Permits for alarm systems are required by law and may be obtained from the Safety Department at 30 Park Avenue.

### FIRE INSPECTIONS

Residents who wish to have a home fire inspection may call 298-2122 to schedule an appointment. There is no charge for this service.

### SMOKE ALARMS

Smoke alarms are required to be installed and maintained in all Oakwood homes.

### SPECIAL NEEDS ASSESSMENT PROGRAM

The Safety Department has a program designed to meet the special needs of citizens who are on medication, have medical conditions or are senior citizens who may need special assistance. Call 298-2122 for more information.

### VOTING

You may register to vote at Wright Memorial Public Library year-round, except 30 days prior to an election. Changes of address must be reported to remain eligible and you must vote at least once every four years.

### MUNICIPAL COURT

Oakwood has its own Municipal Court which is part of the County and State Court System. The Clerk of Courts office is open at 30 Park Avenue, Monday through Friday, for payment of traffic and parking fines and filing of small claims and civil lawsuits.

### WATER/SEWER

New residents must call the city building to register for water and sewer service. The city owns and operates its own Water and Sewer Utilities. 100% of our water is softened, reducing the dependency on home water softeners while improving water quality. We produce all of our water from eight city-owned wells and maintain our own sanitary sewer system. Call 298-0400 if you have utility problems or questions, or wish to sign up for e-statements and automatic bill paying.

### PUBLIC WORKS DEPARTMENT

Oakwood's Public Works Department provides a wide range of municipal services unparalleled in the state.

### WEEKLY BACKDOOR REFUSE COLLECTION

Oakwood maintains its charm and character through a carefully conducted refuse collection program. The result is a clean, attractive city. To better serve you, we ask that you keep your driveway clear of obstructions on collection day. For more information on refuse collection and

recycling, please see [www.oakwoodohio.gov](http://www.oakwoodohio.gov) and search for "refuse handbook" or call 298-0777 with any questions.

### SPECIAL PICK-UPS

Special pick-ups for items such as furniture, stoves, etc., can be arranged between January and September by calling 298-0777. The City also operates a dumpster service for home projects. Depending on material and number of pick-ups used, there may be fees associated with these services.

### SELF-DUMPING

The Foell Public Works Center at 210 Shafor Boulevard is open from 9:00 A.M. until 12 noon on the first Saturday of every month for Oakwood citizens to dump household debris.

### RECYCLING

Nearly 80% of Oakwood residents participate in our recycling program. Plastics, glass, newspapers, metal, paperboard, catalogs and small amounts of cardboard items may be disposed together in separately marked "RECYCLABLES" containers for collection on your regular refuse day. Trash can stickers are available at 210 Shafor, 30 Park Avenue, the OCC, or by mail. Residents may also drop off recyclables in the dumpster at the Creager parking lot adjacent to the 210 Shafor Boulevard service yard. The dumpster is accessible 24-7. Cardboard, broken down boxes, cereal boxes, shirt boxes, and brown paper bags are also accepted for recycling at the Creager parking lot. Cardboard material should be placed in the marked containers.

### YARD DEBRIS PICK-UP

The City collects yard debris on a monthly cycle. The schedule is published in the Oakwood Scene newsletter and is available on the home page of our city website at [www.oakwoodohio.gov](http://www.oakwoodohio.gov). The material (e.g., brush, branches) should be placed between the curb and sidewalk a day or two before the published pick-up day. Residents may also drop off yard debris in the dumpsters at the Creager parking lot. The city does not, however, collect grass clippings. Mulching mowers or home composting is recommended.

### LEAF COLLECTION/MULCH

The City collects leaves in the fall and then hires a company to grind them into mulch. The leaf mulch is made available at the Public Works Center or delivered to residents in the spring. There is a delivery fee for this service.

## **STREET REPAIR**

Oakwood takes pride in street maintenance. Streets are routinely swept and service crews are quick to make sure roadway surfaces are in good repair. Please call 298-0777 to report any issues.

## **SNOW REMOVAL**

**SALTING:** Major streets, hills and intersections take priority with residential streets following, but in a limited manner.

**STREET PLOWING:** During heavy snowfall, the City plows the streets. Please clear streets of parked vehicles whenever possible.

**SIDEWALK PLOWING:** When there is one inch or more accumulation, we deploy our sidewalk plows. Plows typically make one pass through the city.

**ALLEY PLOWING:** Alleys are plowed after an accumulation of four inches or more of snow.

## **LEISURE SERVICES DEPARTMENT**

Oakwood residents enjoy a variety of leisure activities sponsored by the City and administered through the Department of Leisure Services. Athletic and cultural activities, trips, classes, dances, health screening and more are offered throughout the year to residents of all ages. The Leisure Services Department also maintains parks, natural areas, boulevards and Smith Gardens. The Leisure Services Department publishes a brochure of activities, classes and community events, which is delivered to all residents three times a year and is available on the City's website.

## **COMMUNITY CENTER**

The Oakwood Community Center (OCC), located at 105 Patterson Road, houses the Department of Leisure Services, and is the home of Gardner Memorial Pool. Membership in the community center allows residents to participate in classes and activities for reduced fees.

## **TENNIS**

Tennis is a proud city tradition, with asphalt courts at Shafor Park, Orchardly Park and Old River, and clay courts at Hollinger. Instruction is provided for all ages and skill levels during the summer months. When not in use by the OCC or school tennis teams, courts are available to the public on a first-come, first-served basis. There is a membership fee for use of the Hollinger facility.

## **PARKS**

The City is proud of its three neighborhood parks - Shafor, Fairridge & Orchardly - and the dog park at Creager Field adjacent to 210 Shafor Blvd. Playground equipment,

landscaping, and access for the handicapped are provided. For a map of recreational facilities, plus information about renting picnic shelters, please contact the OCC at 298-0775.

## **GARDENS**

Smith Gardens, which has been termed, "the finest tiny public garden in the State of Ohio" as well as the Midwest, is the cornerstone of the City's garden program. The garden includes a garden house which can be scheduled for activities. Blanket concerts, story hour and workshops also take place at Smith Gardens. Loy Gardens, Elizabeth Gardens, Houk Stream and Francine's Garden are natural areas maintained as passive walking areas. These wooded areas are highlighted by flowing streams and wildflowers which add to the ambiance that makes Oakwood special.

## **JOHNNY APPLESEED TREE PLANTING PROJECT**

The City of Oakwood sponsors an annual Johnny Appleseed Tree Planting Project. 2,800 street trees have been planted throughout the city since this program began. Residents have the opportunity to purchase trees at a 50% discount. The Johnny Appleseed Program is one of the reasons why our city has been named a winner of Tree City USA for 34 consecutive years.

## **FINANCE DEPARTMENT**

The Finance Department is responsible for the collection and custody of all city public funds and for water, sewer, stormwater and refuse fees. Fund accounts are monitored daily. Citizens with special interest in finance may serve on a volunteer Budget Review Committee to provide input on budget issues.

## **INCOME TAX**

The City collects its own income tax of 2.5% which is levied on all income earned within the community or by Oakwood residents who work in other communities. Staff is available during business hours to answer questions about city taxes. Call 298-0531.

## **VITAL RECORDS**

Certified birth and death certificates are available from the Finance Department. Certificates are on file for deaths occurring within city limits and births occurring anywhere in Ohio.

## **UTILITY BILLING**

The City provides a convenient way to receive and pay utility bills. Go paperless by having your utility bill emailed directly to you. You may also pay automatically via ACH. Contact Utility Billing at 298-0400 or visit our city website for more information.

## **BOARD OF HEALTH**

The City operates a local Board of Health. This five member Board is responsible for overseeing all health related programs including inspection of food service establishments. The City Manager serves as Administrator and appoints the Health Commissioner and Medical Director.

## **PROPERTY MAINTENANCE**

### **ZONING & CODE ENFORCEMENT**

Oakwood homeowners take tremendous pride in maintaining their homes and surrounding property in first class condition. In order to protect and maintain high property values, the City enforces property maintenance standards based on national codes. These standards require exterior structures to be maintained in good repair and surfaces to be properly coated (paint or stain) to prevent deterioration. If you know of a property which you believe may not meet the standards and is in need of repair, contact the Code Enforcement Officer at 297-2920.

### **BUILDING/ZONING PERMITS**

Most exterior improvements such as deck construction, driveway replacement, room additions, fences, sheds, patios, etc., as well as many interior improvements, including electrical and plumbing projects, require permits before construction begins. If you are considering any home improvements, please contact the Code Enforcement Officer at 297-2920 for permit information and general assistance.

### **PRE-SALE INSPECTIONS**

Oakwood has a pre-sale inspection program which requires that any violations of the fire, zoning, property maintenance or building codes be corrected prior to the transfer of property. Violations identified during an inspection must be corrected by the seller or, alternatively, the buyer can assume responsibility. If you plan to sell your property, please contact the Code Enforcement Officer at 297-2920 to schedule a pre-sale inspection.

## **CITY PUBLICATION**

**OAKWOOD SCENE** is a joint publication of the City of Oakwood, Oakwood Schools and Wright Memorial Public Library and is mailed free of charge, to all residents bi-monthly throughout the year. This newsletter contains updates on city services, school related activities and library news.
