2. If we decide to raise new revenue, please rank the following possible options from 1 (best) to 3 (worst).

	<u>New Revenue</u>
___ Raise Income Tax by 0.25%	\$970,000
___ Limit Income Tax Credit to 1.5%	\$1,200,000
___ Pass New 3 Mill Property Tax	\$790,000

3. Are there services or expenditures you think we should cut? If so, what are they?

4. If we could cut some expenses, would you consider establishing shared services agreements with neighboring communities, even if that could result in some reduction in the scope, quality and control of city services? (Check one only):

- Yes
- No

5. Please give us your additional thoughts and/or reactions to our financial situation:
